

# IMPORTANT NOTICE

## New Library Automation System Coming Soon!

The Farmington Community Library will “Go Live” with our new **Automation System** on **Wednesday, May 14**. This system will include check in, check out, materials ordering and processing. Patrons will enjoy its many new and enhanced features.

Installation will take place **Friday, May 9 through Tuesday, May 13**.

### During this period:

- Patrons **WILL** be able to check out items. Patrons **MUST** have their library cards.
- Patrons **WILL** be able to return materials.
- **No items will be due** during this downtime.

### During this period:

- Patrons will **NOT** be able to use the self check units.
- Patrons will **NOT** be able to use touchtone telephone renewal.
- Patrons will **NOT** be able to remotely connect to our databases using their barcode.

- Patrons will **NOT** be able to see if an item is checked in or out. (The online catalog will only display author/title information and where the item should be located).
- Patrons will **NOT** be able to view their account.
- Patrons will **NOT** be able to place requests through the catalog.
- Patrons will **NOT** be able to log in at individual computer stations. (Sign up will be at reservation stations only.)

Your patience will be greatly appreciated during this time.

When installation is complete, one-on-one demonstrations of our new catalog will be available. Call (248) 553-6880 or go to our help pages at [www.farmlib.org/howto/](http://www.farmlib.org/howto/).
