

As we gather today to celebrate the life and legacy of Dr. Martin Luther King, it is my hope and prayer that we all remain committed to his teachings and beliefs.

Dr. King dreamed for a better world for all of us, where we all stood against injustice, wherever or whenever it occurred. Dr. King dreamed that we would all one day, be seen and judged by the content of our character, not the color of our skin.

So let us all join together in honoring Dr. King's wishes, by living our lives and allowing our actions to honor his dream.

Be safe and may God Bless you, your families and our great Country.
